

§ 648.6 Dealer/processor permits.

(a) *General.* (1) All dealers of NE multispecies, monkfish, Atlantic herring, Atlantic sea scallop, spiny dogfish, summer flounder, Atlantic surf clam, ocean quahog, Atlantic mackerel, squid, butterfish, scup, bluefish, tilefish, and black sea bass; Atlantic surf clam and ocean quahog processors; and Atlantic herring processors or dealers, as described in § 648.2; must have been issued under this section, and have in their possession, a valid permit or permits for these species. A person who meets the requirements of both the dealer and processor definitions of any of the aforementioned species' fishery regulations may need to obtain both a dealer and a processor permit, consistent with the requirements of that particular species' fishery regulations. Persons aboard vessels receiving small-mesh multispecies and/or Atlantic herring at sea for their own use exclusively as bait are deemed not to be dealers, and are not required to possess a valid dealer permit under this section, for purposes of receiving such small-mesh multispecies and/or Atlantic herring, provided the vessel complies with the provisions of § 648.13.

§ 648.7 Recordkeeping and reporting requirements.

(a) *Dealers*—(1) *Detailed weekly report.* Federally permitted dealers must submit to the Regional Administrator or to the official designee a detailed weekly report, within the time periods specified in paragraph (f) of this section, on forms supplied by or approved by the Regional Administrator and a report of all fish purchases, except surf clam and ocean quahog dealers or processors who are required to report only surf clam and ocean quahog purchases. If authorized in writing by the Regional Administrator, dealers may submit reports electronically or through other media. The following information, and any other information required by the Regional Administrator, must be provided in the report:

(i) All dealers issued a dealer permit under this part, with the exception of those utilizing the surf clam or ocean quahog dealer permit, must provide: Dealer name and mailing address; dealer permit number; name and permit number or name and hull number (USCG documentation number or state registration number, whichever is applicable) of vessels from which fish are landed or received; trip identifier for a

trip from which fish are landed or received; dates of purchases; pounds by species (by market category, if applicable); price per pound by species (by market category, if applicable) or total value by species (by market category, if applicable); port landed; signature of person supplying the information; and any other information deemed necessary by the Regional Administrator. The dealer or other authorized individual must sign all report forms. If no fish are purchased during a reporting week, no written report is required to be submitted. If no fish are purchased during an entire reporting month, a report so stating on the required form must be submitted.

(ii) Surf clam and ocean quahog processors and dealers must provide: Date of purchase or receipt; name, permit number and mailing address; number of bushels by species; cage tag numbers; allocation permit number; vessel name and permit number; price per bushel by species. Dealers must also report disposition of surf clams or ocean quahogs, including name and permit number of recipients. Processors must also report size distribution and meat yield per bushel by species.

(2) *Weekly IVR system reports.* (i) Federally permitted dealers, other than Atlantic herring dealers, purchasing quota-managed species not deferred from coverage by the Regional Administrator pursuant to paragraph (a)(2)(ii) of this section must submit, within the time period specified in paragraph (f) of this section, the following information, and any other information required by the Regional Administrator, to the Regional Administrator or to an official designee, via the IVR system established by the Regional Administrator: Dealer permit number; dealer code; pounds purchased, by species, other than Atlantic herring; reporting week in which species were purchased; and state of landing for each species purchased. If no purchases of quota-managed species not deferred from coverage by the Regional Administrator pursuant to paragraph (a)(2)(ii) of this section were made during the week, a report so stating must be submitted through the IVR system in accordance with paragraph (f) of this section.
